

2005-06 Toyota Tacoma 4WD 6" Suspension System

New for '06 TACOMA!!

- The latest from Pro Comp BlackBox R & D!
- It's the new 5" - 6" suspension lift system for the 2005-2006 Toyota Tacoma 4WD.
- Pro Comp Suspension has created a lift system for this popular truck with an awesome look that improves driving performance on and off-road.
- Fits up to 35" tires for more ground clearance and off-road fun.
- High performance **Stage II** system features Pro Comp Pro Runner Coil Over front shocks and MX6 or MX6R Reservoir rear shocks— race inspired and designed for maximum control.
- Precision laser cut, CNC formed, bulletproof steel components. No cutting or drilling to install.
- Pro Comp Suspension – Performance Driven!
